Level & Game Designer

Work Experience

Level designer

The Gang

Dec 2022 - April 2026

Level & Game Designer at The Gang with a proven track record of delivering polished Roblox experiences for global brands such as Ralph Lauren, NHL, Crocs, Deutsche Telekom, and FIFA. Experienced in owning level design from concept to implementation, rapid prototyping, and playtesting to improve pacing, clarity, and engagement.

Level Designer

Aurora punks and Upstream Arcade

Dec 2020 - June 2023

Collaborated with Aurora Punks and Upstream Arcade on the development of a demo for a Elric game. Served as the sole Level Designer, owning the entire level design pipeline from narrative research and visual reference gathering to blockout and implementation. Worked closely with the design team to translate creative direction into cohesive, playable levels aligned with the project's vision.

Fine Woodworker

Snickeri Innerstaden

2017 - 2019

I worked as a cabinet maker specializing in furniture design and manufacturing. My role involved managing the full process from concept development to final production, with a strong focus on craftsmanship, precision, and attention to detail.

Fine Woodworker

Danderyds Snickeri

2014 - 2017

I worked as a carpenter at a company specializing in the design and production of custom interiors for dental clinics. The role required a high level of precision and attention to detail, as well as strong stress management skills, since projects were often large-scale and delivered within strict deadlines.
